

# Blue Light

## Mazzy Star

There's a blue light in my best friend's room

There's a blue light in his eyes

There's a blue light, yeah

I wanna see it shine

There's a ship that sails by my window

There's a ship that sails on by

There's a world under it

I think I see it sailing away

I think it's sailing miles

Crashing me by

Crashing me by

Crashing me by

There's a world outside my doorstep

Flames over everyone hot

Don't you see them shining

I wanna hear them beating for me

I think I hear them waves

Crashing me by

Crashing me by

Crashing me by
