

# How It's Gonna Be

## Lovher

It's his way of livin'  
Who am I to tell him  
That what he's doin' just ain't right  
Standing on the corner hustlin'  
All day gamblin' under street lights  
Even though he's thuggin'  
I love him  
And I want him in my life  
No matter what people say  
I'm gonna love him anyway  
'Cause he does a lot for me  
And that is why I'm gonna be  
A lover, a friend, a soldier, till the end  
And that's how it's gonna be  
Mother and my father don't understand me  
They think I messed up my life  
But I don't agree  
They need to mind their business, 'cause it's my life  
And even though he's thuggin'  
I love him  
(She loves him)  
And I want him in my life, life again  
No matter what people say  
I'm gonna love him anyway  
'Cause he does a lot for me  
And that is why I'm gonna be  
A lover, a friend, a soldier, till the end  
And that's how it's gonna be  
So what you sayin', I can't love him  
'Cause he's a hustler out here thuggin'  
I know you're waitin', sittin' around hopin'  
That 5-o come and take him away  
Well, even if they do  
I'll remain true to love him in the end  
Said I'll be a lover, a friend, a soldier, till the end  
And that's how it's gonna be  
No matter what people say  
I'm gonna love him anyway  
'Cause he does a lot for me

And that is why I'm gonna be  
A lover, a friend, a soldier, till the end  
And that's how it's gonna be  
No matter what people say  
I'm gonna love him anyway  
'Cause he does a lot for me  
And that is why I'm gonna be  
A lover, a friend, a soldier, till the end  
And that's how it's gonna be
