Dehumanized

Aggression

Lost in slumber, a threat to no one
Weak and humbled in my disgrace
Sweet departure is what I long for
Careless moments to comfort meOoh, dead philosophyIf I offer you my soul
Will you carry me away?
I cannot be the only one
To be dehumanized again
Left behindToo determined, to be forgotten
Nothing left to enrapture me
Hard and silent but softly breaking
No beloved to comfort meOoh, dead philosophyIf I offer you my soul
Will you carry me away?
I cannot be the only one
To be dehumanized again
Left behindFeel the determination
Built into my mindYou're never gonna find me
I'll wipe the world away
Your face it will remind me
Just how much I have to leaveIf I offer you my soul
Will you carry me away?
I cannot be the only one
To be dehumanized againSaid, if I offer you my soul
Will you carry me away?
I cannot be the only one
To be dehumanized againLeft behind
Into my mind
