

Everything Is Fine

Josh Turner

I got a home down on the river
Im married to the woman of my dreams
Got a good truck that gets me down the highway
Everything is perfect or so it seems
Mama and Daddy come by sometimes
And everything is fineMy old dog does a little singing
Late at night when the moon gets bright
Sunday mornin, hear the church bells are ringin
Let us go and see whos getting baptized
We gonna take us a Sunday drive
Cause everything is fineEverything is fine, fine, fine
Through the sunshine and the rain
I got a peace of mind
You know I cant complainI make it a point to thank the Lord
When I got Him on the line
Im feeling good and everything is fineGot the same job down at the warehouse
Aint never been rich but I sleep at night
Got a little girl that looks like her Mama
She likes it when Daddy tucks her in real tight
One night this week were gonna have a fish fryCause everything is fine, fine, fine
Through the sunshine and the rain
I got a peace of mind
You know I cant complainI make it a point to thank the Lord
When I got Him on the line
Im feeling good and everything is fineI make it a point to thank the Lord
When I got Him on the line
Im feeling good and everything is fine
Im feeling good and everything is fine
