

I Asked (feat. Becca Stevens & VÃrsen)

Snarky Puppy

Verse 1:

I asked, my love, what do you need
to make your wild heart beat
and this my love, he said to me
wholeheartedly

Chorus:
Whatever makes you happy darlin'
whatever makes you smile for me
whatever makes you happy
that's all I need

Verse 1:
In sober times, when troubles find
a taste for gravity

I ask myself, what do you need
to let the weight release

Chorus
Bridge:
That's all I need x4
I asked my love, what do you need
to make your wild heart beat
