

Itchy Bitchy

KMFDM

Come on baby while I lick my lips
Swivel down, sit on my hips Babe, you've got a dandruff on your snatch
You've got a dandruff on your snatch Itchy bitchy
Scratchy snatchie Itch-itch-itchy
Itchy bitchy
Scratchy snatchie Itchy bitchy
Scratchy snatchie Relax
You've got to relax
In your sex complex You've got a dandruff on your snatch Itchy bitchy
Scratchy snatchie No woman
No pride Itchy bitchy
Scratchy snatchie Itchy bitchy
Scratchy snatchie Itchy bitchy
Scratchy snatchie
