Had Me @ Hello

Olivia Holt

[Olivia:]
I can feel you comin' from a mile away
My pulse starts racing from the words that you say
And you say so many of them like you don't have a clue
That I'm signed, sealed, delivered with a stamp on
[Luke:]
You don't have to try too hard
You already have my heart
[Olivia:]
You don't got a thing to prove
I'm already into you
So
[Olivia and Luke:]
Hold, hold, hold, hold me tight now
Cause I'm so, so good to go
Don't say, don't say good night you know
You had me at hello
You had me at hello
You had me at hello
Don't say, don't say good night you know
You had me at hello
[Luke:]
Close your mouth now baby don't say a word
Cause you ain't saying nothing I ain't already heard
[Olivia;}
Plus all them words get buried when the beats so loud
And the speakers blowin' up to this dance song
[Luke:]
You don't have to try too hard
You already have my heart
[Olivia:]
You don't got a thing to prove
I'm already into you
So
[Olivia and Luke:]
Hold, hold, hold, hold me tight now
Cause I'm so, so good to go
Don't say, don't say good night you know
You had me at hello

You had me at hello
You had me at hello
Don't say don't say good night you know
You had me at hello
[All:]
Ooooh oooooh ooooh, o-oh o-oh
Aaaah aaaaah aaaah, a-ah a-ah
[Kat:]
You don't have to try too hard
You already have my heart
You don't got a thing to prove
I'm already into you
So (Oh yeah)
[All:]
Hold, hold, hold, hold me tight now
I'm so, so good to go
Don't say, don't say good night you know
You had me at hello
You had me at hello
You had me at hello
Don't say, don't say good night you know
You had me at hello
