Let It Burn

Red

Advisory - the following lyrics contain explicit language:

I watch this city burn
These dreams like ashes float away
Your voice I never heard
Only silenceWhere were you when our hearts were bleeding?
Where were you? It all crashed down
I never thought that you'd deceive me
Where are you now?How long can you stand the pain?
How long, how long will you hide your face?
How long, how long will you be afraid?
Are you afraid?How long will you play this game?
How long will you fight or will you walk away?
How long, how long will you let it burn?
Let it burn, let it burnI watch this city burn
These passions slowly smoldering
A lesson never learned
Only violenceIs your world just a broken promise?
Is your love just a drop of rain?
Will we all just burn like fire
Are you still there? Tell me nowHow long can you stand the pain?
How long, how long will you hide your face?
How long, how long will you be afraid?
Are you afraid?How long will you play this game?
How long will you fight or will you walk away?
How long, how long will you let it burn?
Let it burn, let it burnWill you wait till it all burns down?
Will you hide till it all burns down?
Will it hurt when it all burns down?
Will you fight when it all burns down?Will you stand when it all burns down?
Will you love when it all burns down?
Will it end when it all burns down?
Will you just let it all burn down?Can you stand the pain?
How long, how long will you hide your face?

How long, how long will you be afraid?
Are you afraid?How long will you play this game?
How long will you fight or will you walk away?
How long, how long will you let it burn?
Let it burn, let it burnLet it burn, let it burn
