Little by Little

Susan Tedeschi

(Written by Junior Wells)You stay out all night 'til the break of day
Snap me up with everything I say
Little by little, oh, I'm losin' you I can see
And bit by bit darlin', your love is slippin' away from meOh, what you're doin' baby, don't you know it ain't right
I wonder what your doin' that it takes all night
Little by little, oh, I'm losin' you I can see
And bit by bit, your love is slippin' away from meNow I say ohhhhh...
Oh now, ohhhhhhh...I say ohhhhhhhhh...Oh, I get so disgusted when I try to kiss you
Just don't feel like it used to do
Little by little, oh, I'm losing you I can see, oh, oh, oh...
And bit by bit darlin', your love is slippin' away from meOhhhhhhhh... now i tried to trail you last night, in my car
So scared I might find, just what I was looking for
Little by little, oh, I'm losin' you I can see
And bit by bit, your love is slippin' away from meNow I say ohhhhh, baby that's the way I feel...
Oh, I say ohhhhhh child, oh that's the way that I feel...
I said ohhhhhhhh child, baby that's the... honey that's the...
Ohhhhhhhhhhh... lord...I say ohhhhh child, baby that's the way I feel...
Oh, I say ohhhhhh child, baby that's the way I feel...
I said ohhhhhhhh child, baby that's the way I feel...
Ohhhhhhhhhhh child...
