

I Wouldn't Put It Past Me

Dwight Yoakam

I wouldn't put it past me
I wouldn't press my luck
If I were you
I don't believe
I'd take that chance with loveChorus:A big chance you'll be taking
The wrong odds
is what you're staking us on
And any love you wind up making
Won't pay back half
Of all we've lostI wouldn't play so boldly
Or push a sure thing too long
'Cause your luck can get thin
Bets not win
Then pretty soon love's up and goneChorusSo I wouldn't put it past meI wouldn't keep risking heartache
In any more games like these
'Cause there's a way to lose hard
With every card
You'll find out on your kneesChorusSo I wouldn't put it past meI wouldn't put it past me
I wouldn't press my luck
If I were you
I don't believe
I'd take that chance with loveChorusI wouldn't put it past me
