Moses (featuring Ian McCulloch)

808 State

I'm inside out
Up and overrun with doubt.
The price of pain
from self-inflicted wounds again.
The need to feel
this low and lonely.
The need to be
this low.
Feels like
I'm going down again.
Tryin' to keep
my head in the clouds.
Seems like
there's something up again.
So high up
it's getting me down.
I don't want
nobody but you.
Don't want
no-body, body, body but you.
Don't want
nobody but you.
I don't want
no-body, body, body but you.
I'm torn between
what you know and what I've seen.
The parallel
my heaven right inside your hell.
The need to be
this high and holy.
The need to be
this high.
Up where
I'm gonna fly again.
My feet'll be
so far off the ground.
Out there
spinning high again.
Never, ever

gonna come down.
I don't want
nobody but you.
I don't want
no-body, body, body but you.
Don't want
nobody but you.
I don't want
no-body, body, body but you.
I don't want
nobody but you.
I don't want
no-body, body, body but you.
Don't want
nobody but you.
I don't want
no-body, body, body but you.
'Body but you.
