

# We're Not Making Love No More

## Dru Hill

Sure I've been in love a time or two,  
But in the end I still chose you,  
No one could ever make me feel this way,  
That's why it's killing me, what we're going through,  
Somehow thought 'tween me and you  
Our love would stand the test of time and never ever fade

Chorus:

But we're not making love no more  
We're not even trying to change  
Tell me how it slips away  
Does it ever stay the same  
We don't even talk no more  
We've ran out of words to say  
Tell me it don't have to change  
Won't it ever stay the same

Girl I know that things aren't going right  
But don't you think it deserves a fight  
A love like ours don't happen everyday  
And we're losing it right as we speak  
And if we don't wake up, it's a memory  
A time gone past, a love that sailed away

Chorus:

But we're not making love no more  
We're not even trying to change  
Tell me how it slips away  
Does it ever stay the same  
We don't even talk no more  
We've ran out of words to say  
Tell me it don't have to change  
Won't it ever stay the same

I dream of lovers past and  
I see a girl so sad cause  
She lost the only man she loved  
He went away  
Well it's not too late for us

To change

Chorus:

But we're not making love no more  
We're not even trying to change  
Tell me how it slips away  
Does it ever stay the same  
We don't even talk no more  
We've ran out of words to say  
Tell me it don't have to change  
Won't it ever stay the same
