

On Melancholy Hill

[Gorillaz](#)

Up on Melancholy Hill
There's a plastic tree
Are you here with me?
Just looking out on the day of another dream Well, you can't get what you want, but you can get me
So let's set up and see, love
'Cause you are my medicine
When you're close to me, when you're close to me So call in the submarines
'Round the world we'll go
Does anybody know love?
If we're looking out on the day of another dream If you can't get what you want
Then come with me Up on Melancholy Hill
Sits a manatee
Just looking out for the day
When you're close to me, when you're close to me When you're close to me
