Get In the Car

Moxy Fruvous

(Dave)
I'm all right...
(All)
Look what I'm drivin'.
Look at the curves
and my overhand serve,
it's more than survivin'.
Get in the car.
Get in the car.
Don't give me that,
you know who you are.
(Dave)
The answer is here,
it isn't that far.
(rest)
isn't that far.
(All)
Get in the car.
(Dave)
I'm in love...
(All)
Look what I'm drivin'.
A break-in alarm,
and you on my arm,
totally thrivin'
(Dave)
Twist and turn...
(All)
Look at her dancin'.
We're havin' some fun,
she's a trophy I won.
Baby's enhancin'.
Get in the car.
Get in the car.
Don't give me that,
you know who you are.
(Dave)
The answer is here,
isn't that far.

(rest)
isn't that far.
(All)
Get in the car.
(guitar solo)
(Dave)
You fill me...
(All)
with big emotion.
We'll jump in the back,
turn up the 8-track,
I got Billy Ocean.
Get in the car.
Get in the car.
Don't give me that,
you know who you are.
(Dave)
The answer is here,
isn't that far.
(rest)
isn't that far.
(All)
Get in the car!
Get in the car!
Get in the car!
Get in the car!
