

I Am the Other Man

CECILIO & Kaponi

Knowing my heart
It's only fair
That you let me go
If you really cared

Don't make me love you
More than I do
For I am the other man
The one who lost you

I am the other man
Yes I am the other man
I am the other man
Yes I am the other man

In the beginning though you knew you had a man
You showed me sunshine when you took me by the hand
How could I know I was just filling in a space
That you soon you would be leaving me for another place

And I am the other man
Yes I am the other man
I am the other man
Yes I am the other man

And now I've got to pick the pieces up again
You'd think by now I'd be quite used to losing in the end
It's just so hard to see you walk away
Perhaps you'll come back in a dream and brighten up my day

I am the other man
Yes I am the other man
I am the other man
Yes I am the other man

Please don't misunderstand I don't regret a thing
The sweet love that we made has given me a song to sing
And so I've got to change it to a memory
I thank you for the golden moment that you gave to me

But I am the other man
Yes I am the other man
I am the other man
Yes I am the other man
I am the other man
Yes I am the other man
