

Blood in the Wall

Black Label Society

So you're done with dealing
Yeah, so you don't say?
Caught in the river
The dam is broke
But you just want to stay Oh, we all got our reasons
Oh, a story to tell
Oh, you can look but you wont find it here, child
Oh, no you wont
Oh, nothings left but blood in the wall
You've been gone for so long now
Save your pity, so thats what you say
You were never caught in the river
You broke the dam
It's where you want to stay
Oh, we all got our reasons
Oh, a story to tell
Oh, you can look but you wont find it here, child
Oh, no you wont
Oh, nothings left but blood in the wall So you're done with dealing
Yeah, so you don't say?
