

Sure Gonna Miss Her (Re-Recorded Version)

Gary Lewis & The Playboys

I never did too much to make her stay here
And words of love to her I'd never say
I guess I learned a lesson when she walked out to stay
But I'm sure gonna miss her, sure gonna miss her, sure gonna miss her every day I don't suppose I ever said "I
love you"
And I found out too late that wasn't right
I'm just now realizin' what I lost, that's why I'm cryin'
And I'm sure gonna miss her, sure gonna miss her, sure gonna miss her every night I know I took her love for
granted
Guess you could say my love was blind
Thought if she left that I could stand it
Or else it didn't matter at the time I heard she's found a guy that treats her better
I hope he knows that "he's a lucky guy"
I know the rumor's true because I saw her today
And I'm sure gonna miss her, he was walking with her, sure gonna miss her, yes I am
