

# Pillowhead

## Dynamite Hack

my back hurts  
so I'm gonna do nothing today  
my ass is bleedin'  
man i gotta do something  
why you all wanna  
go outside and  
waste the day  
the air in here is fine  
i got madden 97....  
i got madden 97 for my 64.  
i'm fine6 pack and a loaded bong  
are aimed at me  
7 frappuccinos man  
and i still can't sleep  
gonna be up until 10  
or maybe noon again  
you gotta drag me outta here  
i got a pillowhead,  
this pillowhead  
but I'm finei freak on my right side  
facing the tv  
that way i can fall asleep  
and not miss a thing  
why you all wanna  
go outside and  
waste the day the  
air in here is fine  
i got madden 97....  
i got madden 97 for my 64.  
I'm fine
