

Life Ending Path

Dew-Scented

Maze of desecration
Final tension of the fall
Criminal euphoria
Never-endingRestless labyrinth-hell
Retribution welcome
Welcome to the life ending pathCome Die
Sacrificial EcstasyServant of the self
Fully engraved with living scars
Dead and dreaming
Empty InsideRoad less traveled
Distant worlds of harmony
Repent no further
Step into the life ending path
Mutilation of souls
Compulsion to be free
Life ending path
Mutilation of souls
Celebrating mass insanityLife ending path
