Devil in Me

Krista Polvere

Fire burning through my blood
Light me up with just one touch
Trying night after night
Take me home
Do me rightThere's no shame in this love that we had
Never is what it was till its bad bad badThere's a devil in me
Crying for your arms tonight
I've a fevered heart beating in the heat of the light
I may loose control
I may burn bright
There's a devil in me crying for your arms tonightRunning im as lost as love
Called your name hell
I screamed form above
Howling in this room of desire
Chain me up cause im on fireThere's no shame in this love that we had
Never is what it was till its bad bad badThere's a devil in me
Crying for your arms tonight
I've a fevered heart beating in the heat of the light
I may loose control
I may burn bright
There's a devil in me crying for your arms tonight
