

You've Got a Friend (with James Taylor) [Live]

Carole King

When you're down and troubled
And you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night You just call out my name
And you know wherever I am
I'll come running, to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep you head together
And call my name out loud
Soon you'll hear me knocking at your door You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there yes I will Ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you, desert you
And take your soul if you let them, don't you let them You just call out my name
And you know wherever I am
I'll come running running running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend
You've got a friend Ain't it good to know, ain't it good to know, ain't it good to know
You've got a friend
You've got a friend
