Leave Her Alone

Junior Kimbrough

My girl
You were goin' with my woman
My girl
You were goin' with my girl
Telling you
You better leave her alone
Leave her alone
Leave her alone,
That's my woman

Leave her alone
Leave her alone
That's my girl

My girl
You was goin' with my girl
My girl
You was goin' with my girl
Telling you
You better leave her alone
Leave her alone
Leave her alone
That's my woman

My girl, yeah
You goin' with my girl
My girl
You was goin' with my girl
Telling you
Better leave her alone
Leave her alone
Leave her alone
That's my woman

Leave her alone
Leave her alone
That's my woman
