## Tad

That's it, yeah  
better go away!  
and is it, yeah  
better go away! I think I lost mind  
I think I lost your lay  
I think I lost there all  
I think I lost my way that's it, yeah!  
better go away  
pain is gone away! (3x) That's it, yeah  
better go away!  
and is it, yeah  
better go away! I think I lost my way  
I think I lost mind  
I think I lost my lay  
I think I lost my chair  
that's it, yeah!  
better go away pain is gone away! (3x) boy! (4x)
