I'd Like to Know (Demo)

Supergrass

I like to wake up on a Saturday, say "Hello you"
A cup of coffee and I smoke a cigarette or two
Never had it so good
Never got it - it could be love beforeI like to run around with everyone you know it's true
Driving down the street I'm always looking for a better viewI'd like to know where all the strange ones go
I'd like to go where all the strange ones go
I'd like to know what all the strange ones know
I've gotta go where all the strange ones go
Do they live alone?I like to wake up in the middle of a dream with you
Going up and down I'm always looking for a better viewI'd like to know where all the strange ones go
I'd like to go where all the strange ones go
I'd like to know what all the strange ones know
I've gotta go where all the strange ones goI'd like to know where all the strange ones go
I'd like to go where all the strange ones go
I'd like to know what all the strange ones know
I've gotta go where all the strange ones goAll the strange ones know
