

# Maybe (HQ2/Dynamix NYC Club Mix)

Toni Braxton

Is tonight the night that you take control of me  
Tell me boy what's it really gonna be  
Spending time for a while  
Oh daddy come close  
I'm straight up feeling your style  
I love the way you make me feel  
When you keep it real  
When you're holding me  
When you're spooning me  
Oh you look sexy when you're touching me  
When you're bumping me gently  
Sitting here waiting in my Vicky's  
In the mirror imagining you're with me  
Petit Cheri and I'm smelling real nice  
and Jouet cold, chillin' on ice  
Coming over at a half past ten  
And I'm wondering if I'm really gonna let him in  
Give in  
Give it up  
Let it go  
Or tell him no, or Should I give him some?  
Maybe  
Is this the night for fun?  
Maybe  
Check it out  
So here it is, and he comes right in  
And I fix us drinks  
And I start to think  
About what I'm gonna do  
Will a brother be true  
As he sizes my body up and down  
Can he beat the odds  
Can he play it safe  
Will he make me hot  
Will he hit the spot that I love a lot  
Will he leave me hanging, lonely, desperately  
Will he go and tell all his friends  
That we did it and we did it again  
Had me weak between the sheets  
Will he say I was a real big freak  
Maybe I should slow it down  
Cool off my flow, relax  
And let him know that if this gets out  
No more, no glove, no love  
Oh no, or Should I give him some?  
(I don't know)

Maybe  
Is this the night for fun?  
MaybeShould I just give him some?  
Maybe  
Is this the night for fun  
MaybeMaybe  
Pretty baby  
Love me  
Like a ladyShould I say yes or no  
Should I just let it go  
Should I slow down my roll  
Let me think 'cause I really don't know  
Don't know what to do about it babyIf I do will I regret it  
Maybe I should just forget it  
What about if he ain't got no dough  
Tell me I should let him goMaybeShould I give him some  
Pretty babyMaybe, Maybe.
