

# Never My Love

## The Association

You ask me if there'll come a time  
When I grow tired of you  
    Never my love  
    Never my love

You wonder if this heart of mine  
Will lose its desire for you  
    Never my love  
    Never my love

What makes you think love will end  
When you know that my whole life depends  
    On you (on you)

    Never my love  
    Never my love

You say you fear I'll change my mind  
And I won't require you  
    Never my love  
    Never my love

How can you think love will end  
When I've asked you to spend your whole life  
    With me (with me, with me)
