Rediscovery

Corny

Oh, what a beautiful night
The stars are shining bright
I've not been feeling right
Not been feeling right
I've not been feeling rightSoon it's gonna change
Time to rearrange
Stop this acting strangeFound us a beautiful place
A perfect time and space
And now we can retrace
Now we can retrace
Now we can retraceAll we have begun
New oblivion
Havin' lots of funGot to get back inside
Dreams and thoughts collide
Save you from this crazy
Save you from this crazy
Save you from this crazy lifePlease be good to me
My last chance to be free
This mountain majesty
This rediscovery
