

# Mississippi (Album Version)

Paula Cole

I'm big and proud all over  
Not just on the stage  
My secret self has many sides  
That laugh and crush and sting  
I'm red and thick like fire  
I like it from behind  
Round and Round and  
Red to white  
I'm pure and sad and silent I know I've got a piece of my heart  
On the sole of your shoe  
I've got a little bit of thunder  
Trapped inside of a cloud  
The dog in you  
Spit me out into the mississippi Who can love my many selves  
The wife, the bitch, the rapunzel  
The one who cries  
And calls for you  
The one who is always alone I know I've got a piece of my heart  
On the sole of your shoe  
I've got a little bit of thunder  
Trapped inside of a cloud  
The dog in you  
Spit me out into the mississippi Oh mississippi  
Come and wash my pain away  
Oh mississippi  
Come and take my pain away  
I feel I'm drowning  
I feel I'm drowning  
I feel I'm  
I feel I'm  
Dying I know I've got a piece of my heart  
On the sole of your shoe  
I've got a little bit of thunder  
Trapped inside of a cloud  
The dog in you  
Spit me out into the mississippi
