Psycho

The Sonics

Wow, baby your driving me crazy
I said baby your driving me crazy
When you turn me on
Then you shut me down
Well, tell me baby can i dress your clown
Psycho
Baby your driving me crazy
I said i'm losing my mind
But i'm so not fine
Psycho
Wow
Baby your driving me crazy
I'm going out of my head
And now i wish i was dead
Psycho
Baby your driving me crazy
I'm going out of my head
And now i wish i was dead
Wow Psycho
Wow Psycho
Wow Psycho
Wow Psycho
Wow Psycho
