

You Ain't the First

Guns N' Roses

Advisory - the following lyrics contain explicit language:

One, two, three
One, two, three
Two, three, one and I tried so hard just to get through to you
But your head's so far from the realness of truth
Was it just a come on in the dark, wasn't meant to last long?
I think you've worn your welcome honey
I'll just see you along as I sing you this song Two, three, one Time can pass slowly, things always change
Your day's been numbered and I've read your last page
You was just a temporary lover, honey you ain't the first
Lots of others came before you woman
Said but you been the worst, said you been the worst So goodbye to you girl, so long, farewell
I can't hear you cryin', your jivin's been hell
So look for me walkin' down your street at night
I'll be in with another deep down inside
Deep down inside
