I'm Free

Ebrahim

Verse
Waiting for tomorrow
To come around
With more cold news they missed today
Cuz everyday it seems like
Iâ€™m facing the ground
Mourning while tears slowly drift away
All of the things that I see
Remain on the page
When in fact theyâ€™re someoneâ€™s reality
Canâ€™t help but get lost in the moment
But thatâ€™s all it is
Cuz Iâ€™m free to break awayâ€¦

Chorus
Free to read the morning paper
Free to call my mama later
To say goodnight
Break away
Free to do whatever I want
Cuz Iâ€™m free, as I please
In my own mind
In my own mind

Verse
So many reasons
To turn around, walk away and ignore
That man in despair
A penny for my thoughts
Is all that he wants
But a couple minutes, yall
See I canâ€™t even spare, no
Iâ€™m only human
But who am I to judge this man in need
See I should give what I can
And pray that he finds his way
Cuz Iâ€™m free to break awayâ€¦

Chorus

Free to read the morning paper
Free to call my mama later
To say goodnight
Break away
Free to do whatever I want
Cuz Iâ€™m free, as I please
In my own mind
Break away
Free to find another station
If I donâ€™t like what Iâ€™m seeing
On news tonight
Break away
Free to do whatever I want
Cuz Iâ€™m free, oh Iâ€™m freeâ€¦

Breakdown
Oooooh woaaah
Another motherâ€™s crying
While her babyâ€™s dying
Oooooh woaaah

Chorus
Free to read the morning paper
Free to call my mama later
To say goodnight
Break away
Free to do whatever I want
Cuz Iâ€™m free, as I please
In my own mind
Break away
Free to find another station
If I donâ€™t like what Iâ€™m seeing
On news tonight
Break away
Free to do whatever I want
Cuz Iâ€™m free, oh Iâ€™m freeâ€¦
