Waves

General Fiasco

Precious, every second I spend by your side.
Yeah, right.
Impressions, I don't care to amend mine, okay.
Alright.Tell you I don't want nobody,
no need to talk about it.
Seems to me that all this is for real.Lose myself in conversation,
sorry that's not entertaining.
Maybe there is something we could do.And I go back, like a wave to the shore.
I don't think about you much now anymore.
When I said that I wouldn't go,
I'm a wave, I'm a wave, I'll never stay.I suffer from boredom, this happened before
and I know this was not a great idea.
I tell you no more and you say that it's over,
at least this is something we agree.Tell you I don't want nobody,
no need to talk about it,
seems to me that all is crystal clear.Lose myself in conversation,
sorry that's not entertaining,
maybe there is something we could do.And I go back, like a wave to the shore.
I don't think about you much now anymore.
When I said that I wouldn't go,
I'm a wave, I'm a waveAnd if i tell you, I tell you, I tell you
enough, it's going over, and over, and oh.
I'm sensing, you're lying, you're going away.
I know nothing you say will change a thing.And I go back, like a wave to the shore.
I don't think about you much now anymore.
When I said that I wouldn't go,
I'm a wave, I'm a wave,and I go back, like a wave to the shore.
I don't think about you much now anymore.
When I said that I wouldn't go,
I'm a wave, I'm a wave,
and I go back.
