

# Started From the Bottom (Explicit Version)

## Drake

Started from the bottom now we're here  
Started from the bottom now my whole team fucking here  
    Started from the bottom now we're here  
Started from the bottom now the whole team here, nigga  
    Started from the bottom now we're here  
Started from the bottom now my whole team here, nigga  
    Started from the bottom now we're here  
Started from the bottom now the whole team fucking here

I done kept it real from the jump  
Living at my mamaâ€™s house we'd argue every month  
    Nigga, I was trying to get it on my own  
    Working all night, traffic on the way home  
    And my uncle calling me like "Where ya at?  
I gave you the keys told ya bring it right backâ€•  
    Nigga, I just think its funny how it goes  
    Now Iâ€™m on the road, half a million for a show

And we started from the bottom now we're here  
Started from the bottom now my whole team fucking here  
    Started from the bottom now we're here  
Started from the bottom now the whole team here, nigga  
    Started from the bottom now we're here  
Started from the bottom now my whole team fucking here  
    Started from the bottom now we're here  
Started from the bottom now my whole team here, nigga

Boys tell stories about the man  
Say I never struggled, wasn't hungry, yeah, I doubt it, nigga  
    I could turn your boy into the man  
There ain't really much I hear that's poppin' off without us, nigga  
    We just want the credit where it's due  
    Iâ€™ma worry about me, give a fuck about you  
    Nigga, just as a reminder to myself  
I wear every single chain, even when Iâ€™m in the house

'Cause we started from the bottom now we're here  
Started from the bottom now my whole team fucking here  
    Started from the bottom now we're here

Started from the bottom now the whole team here, nigga

    No new niggas, nigga we donâ€™t feel that  
    Fuck a fake friend, where your real friends at?  
    We donâ€™t like to do too much explainin'  
    Story stay the same I never changed it  
    No new niggas, nigga we donâ€™t feel that  
    Fuck a fake friend, where your real friends at?  
    We donâ€™t like to do too much explainin'  
    Story stay the same through the money and the fame

    'Cause we started from the bottom now we're here  
    Started from the bottom now my whole team fucking here  
        Started from the bottom now we're here  
    Started from the bottom now the whole team here, nigga  
        Started from the bottom now we're here  
    Started from the bottom now my whole team here, nigga  
        Started from the bottom now we're here  
    Started from the bottom now my whole team here, nigga
