When a Child is Born

Lexi Walker

A ray of hope, flickers in the sky
A tiny star, lights up way up high
All across the land, dawns a brand new morn
this comes to pass when a child is borna silent wish, sails the seven seas
The winds of change whisperin the trees
And the walls of doubt crumble, tossed and torn
This comes to pass when a child is bornA rosy hue settles all around
You've got the feel you're on solid ground
For a spell or two no-one seems forlon
This comes to pass when a child is born
It's all a dream and illusion now
It must come true, some times soon somehow
All across the land, dawns a brand new morn
This comes to pass when a child is born
It's all a dream and illusion now
It must come true, some times soon somehow
All across the land, dawns a brand new morn
This comes to pass when a child is bornWhen a child is born.(end)
