

# Tidal Wave

## The Killers

He's always trouble with his noncomplacent  
Shotgun eyes, shotgun eyes  
His subtlety, his mystery  
Not like the other guysShe's always taken by his reputation  
He's so bad, he's so bad  
On Saturday night, they're running for the shadowYou say your heart ain't ever been broken  
You think you know where you're going  
Tidal wave  
Tidal wave come rushing over me  
You say this life has given you nothing  
You got another thing coming  
Tidal wave  
Tidal wave come rushing over meHe'll get a warning sign to keep his distance  
From her old man, from her old man  
Now the story of forbidden love  
Has gotta make a standSo in the middle of the early morning  
They'll slip away, slip away  
And we know they'll do their best  
Somewhere in the golden westOh yeah, and we'll watch them drive  
They're so aliveYou say your heart ain't ever been broken  
You think you know where you're going  
Tidal wave  
Tidal wave come rushing over me  
You say this life has given you nothing  
You got another thing coming  
Tidal wave  
Tidal wave come rushing over me  
Tidal waveThese tidal waves are caught off track  
Come tomorrow, cause I cant' go back  
Come together, can't you see  
Tidal wave gonna cover me.  
These tidal waves are caught off track  
Come tomorrow, cause I can't go back  
Come together, can't you see  
Tidal wave gonna cover me.Cover me  
I can't go back  
Can't you see
