Up For Breakfast

Van Halen

Well!
She treat me like a personal Jesus
Got the hand, put it where its gonna heal ya
Got the finger, put it right there on the trigger
Well, pump it up, pump it up, baby make it biggerWell, I'm going crazy
Pumping it up, pumping it up
(Ohh yeah)
It's gonna heal yaShe put the cream in my coffee
(First thing in the morning)
Put that butter on my biscuit
(Honeydew my melons)
Cherries on bananas
(Gonna need a second helpin')
You know I'm up for breakfast so early in the morningLock the front, leave the back door open, yeah
Hot tub loosen up, baby been soaking
I've been tokin', I've been sippin'
Slip slide slippin', all got me trippingWell, I'm going crazy
Keeping it up, pumping it up, pumping it up, yeah
Ain't gonna kill yaShe put the cream in my coffee
(First thing in the morning)
Spread that butter on my biscuit
(Honeydew my melon)
Put berries on bananas
(I need a second helping)
That's why I'm up for breakfast so early in the morningWake me up babe
Hold me up, wake me up
Gotta get up, gotta get up, gotta get up, gotta get up
Yeah
One moreShe put the cream in my coffee
(First thing in the morning)
Spread hot butter on my biscuit
(Honeydew my melon)
Like them cherries on bananas
(Gonna need a second helping)
Thats why I'm up for breakfast so early in the morningGot bacon on the table
(First thing in the morning)
Squeeze some honey on my biscuit
(Honeydew my melon)
Spread some cream on my bananas

(I need a second helping)
You know I'm up for breakfast so early in the mornin'Wake me up, baby
Wake me up, baby
Lift me up, baby
Gotta get up, gotta get up
YeahBlack coffee, first thing in the morning
Hot sweet sticky
Get it up, get it up, get it up, get it upCome on baby
Wake me up, wake me up
