

Up For Breakfast

Van Halen

Well!

She treat me like a personal Jesus

Got the hand, put it where its gonna heal ya

Got the finger, put it right there on the trigger

Well, pump it up, pump it up, baby make it biggerWell, I'm going crazy

Pumping it up, pumping it up

(Ohh yeah)

It's gonna heal yaShe put the cream in my coffee

(First thing in the morning)

Put that butter on my biscuit

(Honeydew my melons)

Cherries on bananas

(Gonna need a second helpin')

You know I'm up for breakfast so early in the morningLock the front, leave the back door open, yeah

Hot tub loosen up, baby been soaking

I've been tokin', I've been sippin'

Slip slide slippin', all got me trippingWell, I'm going crazy

Keeping it up, pumping it up, pumping it up, yeah

Ain't gonna kill yaShe put the cream in my coffee

(First thing in the morning)

Spread that butter on my biscuit

(Honeydew my melon)

Put berries on bananas

(I need a second helping)

That's why I'm up for breakfast so early in the morningWake me up babe

Hold me up, wake me up

Gotta get up, gotta get up, gotta get up, gotta get up

Yeah

One moreShe put the cream in my coffee

(First thing in the morning)

Spread hot butter on my biscuit

(Honeydew my melon)

Like them cherries on bananas

(Gonna need a second helping)

Thats why I'm up for breakfast so early in the morningGot bacon on the table

(First thing in the morning)

Squeeze some honey on my biscuit

(Honeydew my melon)

Spread some cream on my bananas

(I need a second helping)

You know I'm up for breakfast so early in the mornin'Wake me up, baby

Wake me up, baby

Lift me up, baby

Gotta get up, gotta get up

YeahBlack coffee, first thing in the morning

Hot sweet sticky

Get it up, get it up, get it up, get it upCome on baby

Wake me up, wake me up
