Heavy Cross

Beth Ditto

It's a cruel, cruel world to face on your own
A heavy cross to carry along
The lights are on but everyone's gone
And it's cruelIt's a funny way to make ends meet
When the lights are out on every street
It feels alright but never complete
Without joyI checked you
If it's already been done, undo it
It takes two
It's up to me and you to prove itOn the rainy nights, even the coldest days
You're moments ago but seconds away
The principal of nature, it's true but
It's a cruel worldWe can play it safe or play it cool
Follow the leader or make up all the rules
Whatever you want, the choice is yours
So chooseI checked you
If it's already been done, undo it
It takes two
It's up to me and you to prove itI trust you
It's already been done, undo it
It takes two
It's up to me and you to prove itI checked you
If it's already been done, undo it
It takes two
It's up to me and you to prove itI trust you
