

# Romance In The Dark

## The Hollywood Flames

In the dark, it's just you and I  
There's not a sound, there's not one sigh  
Just the beat of my poor heart  
In the dark

Now, in the dark, I get such a thrill  
When he puts his fingertips upon my lips  
And he begs me, "Please, please, be still"  
In the dark

But soon this dance will be ending  
And you're gonna find, you're gonna be missed  
Gee, but I'm not pretending  
'Cause I swear, I swear, it's fun  
It's fun, it's fun to be kissed in the dark  
Now, we will find  
What the rest what the rest have left behind  
Just let them dance 'cause we'll find romance

In the dark  
In the dark, I get such a thrill  
When he puts his fingertips on my lips  
And he begs me to "Please, be still, be still"  
In the dark  
Oh, but soon this dance will be ending  
And you're gonna be missed  
Gee, but I'm not pretending  
'Cause I swear, I swear, it's fun  
It's fun, fun to be kissed in the dark  
Now, we will find  
What the rest what the rest have left behind  
Just let them dance 'cause we'll find romance  
In the dark, yes
