Don't Stop

No Authority

Chorus:
Don't stop till you get enough
If its right for you
Do what you want to do
Do you like what I am doing to you, tell me if its right
Baby, I'll keep going on, and you know that I'll never stop
If you're sure the partys pumping, and the scene is always jumping
Let's keep going till we reach the top, oh baby, yeah
(chorus)
Now I'm the man to see, if you want to get on down
I can show you the right way to do it
But I can not tell you when or where to start your groove
I can only say baby do what you want to do, yeah

Keep on doing your thing
I want to be your everything
I want to be with you
'cause thats the thing to do
So keep on doing what you want to do
(chorus)
Hey boo, how ya do, spotted you from the back
Pushed up like a mac-- I'm gonna stay in track
I'm looking for a girl that I can wine and dine
Stay close behind and make her all mine
Give her anne klein, pretty suits and boots
Take you on a hot beach and feed you fresh fruits
You think I'm lying, I ain't kidding, I got a good girl
Not forbidden
(chorus)
