C-C (You Set the Fire in Me)

Tom Vek

You set the fire in me C-C
It's like I've learnt how to breathe easily
Photographed for a fashion magazine
It's just you, your God and meI know it can't be easy for you
I know it can't be easy for youYou set the fire in me C-C
You set the fire in me
You set the fire in me C-C
You set the fire in me, ohWhy go home when you'd rather see me
Feels like all my heart can do now is bleed
We should go down to the sea
It's just you, our God and meGod no, it can't be easy for you
God no, it can't be easy for youYou set the fire in me C-C
You set the fire in me
You set the fire in me C-C
You set the fire in me, ohYou set the fire
You set the fire
You set the fire
You set the fireYou set the fire in me C-C
You set the fire in me
You set the fire in me C-C
You set the fire in meYou set the fire in me C-C
You set the fire in me
You set the fire in me C-C
You set the fire in meYou set the fire in me C-C
You set the fire in me
You set the fire in me C-C
You set the fire in meYou set the fire in me C-C
You set the fire in me
