Advisory - the following lyrics contain explicit language:

Homeboy : godamn, now lick my balls, oh shit.
Bitch : You like that?
Homeboy : Put 'em off
Bitch : It's good?
Homeboy : Ouch, shit, godamn bitch you bit' my damn, shit I said suck the mothafucka, you're bitin' it, shit!
Narrator : Has this ever happend to you?
Does her teeth get in the way while she's sucking your dick?
Does she know how to suck a dick?
Well, I had that same problem until my bitch went out and buy
NWA's new book entitled "The art of sucking dick".
Bitch : Lesson 1 - First you grab the dick, next you gently lick it up and down, then insert it into the mouth. Take it slow, don't rush it, and before you know it ..
SPLASH!Eazy E :It goes one for the treble, two for the bass, She got nut all over her face
Kick kick it ...Slow is the tempo, and Ren is gonna flow
As I produce and illustrate you to a ho'
Caught on the late night, smokin' on the base-pipe
She's a hype to get you on the late night
Yo! But back in school she was a cutie
Then after graduation started givin' up the booty
In school, stuck up, hair in a feather
Every time I asked her for the time
It was never ever once shewould talk to the Ren not sayin'
I wanted a date, she would'nt even be my friend
But now in the 1990's, I'd be praying that the bitch don't find me
'cause she's got a gang o' kidz nappy-heads and all dirty
And she's gettin' pimped by a nigga that's 30
I saw her hangin' in the alley
Braggin' to her friends how she's ho'in' in the valley
All by herself, doin' on the ho stroll
Comin' back home late night with the bankroll

You know a bitch like that makes me sick,
But I've heard that she sucks a good dickChorus :
It's the world's biggest dick
Don't matter just don't bite it
It's the world's biggest dick
Don't matter just don't bite it
"What do you want me to do with it?"
Don't matter just don't bite it
She swallowed it [yeaahh..]At a high school dance -
Me and the niggaz bailed in
I saw her sittin' with her friends, with a grin,
So sexy, thought she was all that
She would'nt even look at us because we wore the black hats
She was a stuck-up bitch on the public floor
But an instant prostitute behind closed doors
On the streets she's a late night feature
Walkin' home from school saw her suckin' a nigga'z dick, another under the bleachers
She saw me and she ran and tried to hide her face
But a bitch full of nut could'nt escape in the chase
Of disgrace, If I ever ever saw her
There was'nt a nigga on the block
Late at night not gettin' done
So she begged me not to tell a soul
Then I said of course 'cause my dick you it's harder than a totem pole
Then again it don't concern me
'cause there's a slight chance if I fuck she might burn me
And then I might have to shoot the hoe
I mean checkin' with the quickness just to let her know
But to prevent from gettin' sick -
I would just prefer to let her come and suck my dickChorus :
It's the world's biggest dick
Don't matter just don't bite it
It's the world's biggest dick
Don't matter just don't bite it
But does she suck a good dick?
Don't matter just don't bite it
She swallowed it [yeaahh..]Now I was at a club on a late late Sunday
Peepin' at the bitches 'till the next day Monday
Had a couple of drinks, so I was feeling good
And suddenly I saw this bitch who lives in my neighborhood
She went to church every week so now I lucked up
She was at the end of the bar gettin' fucked up
Back at the house she was the bitch to be ignorin'
And when she start to talk the ho' was kinda borin'
Yo, but now I got to dawn, see

Now she's dancin' on the floor with a skirt and no panties on
Shakin' that ass like a salt shaker
I already got my plans -
Just while I'm a take her to a room
But yo I mean a rest room
And stick my dick in her mouth like a wet broom
So I grabbed her hand and she's with it
Oh and when she turned sober, she'll never admit it
So while she's dropped I'd better get it quick
And see for myself if she sucks a good dick ..Chorus :
It's the world's biggest dick
Don't matter just don't bite it
It's the world's biggest dick
Don't matter just don't bite it
"What do you want me to do with it?"
Don't matter just don't bite it
Lick de big dick, baby, I wanna fuck this one
It's the world's biggest dick
Don't matter just don't bite it
It's the world's biggest dick
Don't matter just don't bite it
But does she suck a good dick?
Don't matter just don't bite it
She swallowed it
"So there you have it - a job well done, but for now let me get back to what
I was doing"
She swallowed it .. She swallowed it ..
Get it all baby, suck this dick, suck this dick for daddy
suck this diiiiiick
oh, she swallowed it .. get it all, suck this dick for daddy ..Hey mothafuck, I want you to suck Dre's dick,
Then I want you to suck Yella dick
You already sucked Ren's dick ..YOU BOYZ ARE DISGUSTING!
Just suck my dick bitch
