Heartbreaker

Color Me Badd

Yo, why you wanna? play me like that?
Girl, every time I see you
You?re with a different man
You tell?em that you love ?em
And then take every thing you can
You?re living life in the fast lane
You?re no longer Daddy?s girl
Can?t stay with just one man
You gotta? love them all around the world
I?ve got my eye on you
And I know just what you are
You?re just a using girl
You drive me like a car
You?re a money taker and a heartbreaker
You?ll never find yourself a true love to hold
You?re a money taker and a heartbreaker
Your heart?s just too cold
Time keeps tickin? by you
So you better make up your mind
Are you gonna? let somebody love you
For more than just one night
You get everything you ask for
So you have no need to steal
We?d all be dead right now
If pretty looks could kill
I?ve got my eye on you
And I know just what you are
You?re just a using girl
You drive me like a car
You?re a money taker and a heartbreaker
You?ll never find yourself a true love to hold
You?re a money taker and a heartbreaker
Your heart?s just too cold
Girl, I know your fly but tell me why must you even try
To take what I have earned, just wait your turn, from what I see
You got a lot to learn about life, being a wife or even just being
My girl, is false hype so word, change you attitude, you gotta?
Learn to show some gratitude, yeah, I?m on your trip
But girl don?t flip 'cause I?m hip to the way you trip so just skip

All the fun and games, I know you?re a faker
Yo, tell ?em what she is a money taker
I?ve got my eye on you
And I know just what you are
You?re just a using girl
You drive me like a car
You?re a money taker and a heartbreaker
You?ll never find yourself a true love to hold
You?re a money taker and a heartbreaker
Your heart?s just too cold
Yo, the B is not a fool so what do you take me for
You think you?re gettin? over, well take a look at the score
Yo, 1,2,3, yep, you?re outta here, I?m letting you go
Savin? the rest of my tears, for someone who will
Treat me right like I should be, not tryin? to break my heart
Nor take my money, just like you drove me
Then you been driven, so get out of my life
And get into the hard livin?
You?re a money taker and a heartbreaker
You?ll never find yourself a true love to hold
You?re a money taker and a heartbreaker
Your heart?s just too cold
You?re a money taker and a heartbreaker
You?ll never find yourself a true love to hold
You?re a money taker and a heartbreaker
