New Year's Eve

Brooke Fraser

Itâ€™s been a loud year and I really need the quiet
Itâ€™s been a loud year and I really need the quiet

Itâ€™s New Yearâ€™s Eve, babe
And Iâ€™d really like to be alone

Weâ€™re waiting on change but I donâ€™t know if itâ€™s coming
Weâ€™re waiting on change but I donâ€™t know if itâ€™s coming

Itâ€™s New Yearâ€™s Eve, babe
And Iâ€™d really like to be alone

Big eyes against the white
Big eyes beneath the lights
And no one seems to feel it
But I do
Our faces to the wind
My heart against my skin
Tonight Iâ€™m gonna find something true

Itâ€™s been a loud year and I really need the quiet
Itâ€™s been a loud year and I really need the quiet
Itâ€™s New Yearâ€™s Eve, babe
And Iâ€™d really like to be alone
