

# New Year's Eve

Brooke Fraser

It's been a loud year and I really need the quiet  
It's been a loud year and I really need the quiet

It's New Year's Eve, babe  
And I'd really like to be alone

We're waiting on change but I don't know if it's coming  
We're waiting on change but I don't know if it's coming

It's New Year's Eve, babe  
And I'd really like to be alone

Big eyes against the white  
Big eyes beneath the lights  
And no one seems to feel it  
But I do  
Our faces to the wind  
My heart against my skin  
Tonight I'm gonna find something true

It's been a loud year and I really need the quiet  
It's been a loud year and I really need the quiet  
It's New Year's Eve, babe  
And I'd really like to be alone
