

First Street

Reaction 7

We're cruisin' Friday night
First Street all the lights
Taking in the scene
Fancy so we agree Hot gals walkin' round
Wonder what's going down
Stop get a tattoo
Or party me and you Hot cars in first gear
Policeman always near
We must go so slow
Sit back enjoy the show Hot gals walkin' round
Wonder what's going down
Stop get a tattoo
Or party me and you Running a GTO
Pinks he's way too slow
We're stopping outside the bar
Girls ask about the car Hot gals walkin' round
Wonder what's going down
Stop get a tattoo
Or party me and you
