

# You Make Me Feel

## KIDZ BOP Kids

La la la la la Girl I've been all over the world  
Looking for you  
I'm known for taking over that on the floor  
And now I am overdue  
And if you listen you can hear me through the radio  
In that bright white noise  
What I been missing in my life  
What I been dreaming of  
You'll be that girl  
You'll be that girl  
You'll be  
Everything you want so let me get up there  
I'm the best dancer in the atmosphere  
Show me how you dance so we can move just how you like You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You make me feel that  
La la la la la  
You make me feel so  
La la la la la  
You, you make me feel that Get a little closer to me girl  
And you'll understand  
'Cause if you want a boy that knows how to dance well  
then grab my hand  
And if I listen I can hear you through my radio  
In that bright white noise  
What I been missing in my life  
What I been dreaming of  
You'll be that girl  
You'll be that girl  
You'll be  
Everything you want so let me get up there  
I'm the best dancer in the atmosphere  
Show me how you dance so we can move just how you like  
Ooh  
Everything you know I'm flipping upside down  
Take you 'round the world  
You know I sing it loud

Show me how you dance so we can move just how you like
