C em E am F

Her taste on my brown fur can bring me to delight

C G F

The flow of Honey, she is a sight

am

She calls me

em

I follow

F C

We go so slow

am F

We take the time to watch

em F

The wind and willows blow

am

I find her

em

In splendor

F C

We rock and roll

am F C G

The flow of Honey is all I need to know

The flow of Honey takes me where I need to go

The hundred acre wood

Or thru a Belgian snow

Her dancing fragrance tends to draw me anywhere
Me and my honey, we are a pair

I call her
She follows
We take it slow
We find the time to watch
The wind and willows blow

She finds me
In splendor
We rock and roll
The flow of honey
is where I need to go

The flow of Honey shows me who I really am.
One candle in the darkness
Two suns shine in my hand

The distance only proves the farther that I dream
She's there and I'm here
Love lies between
