Robbers

Cold War Kids

Sulking, walking 'Round the city after dark Need protection from street thugs Who clip the tires and rip the doors Off rugs like cowardsAnd all this life we've glorified Robbing from the blind It's not easy you see Don't think I don't know sympathy My victims, in my shadow Staring back at meNot me, I'm knocking Tip toe outside a stranger's door Casually let myself in Fill pockets with trinkets, purses China antique armoirs And all this life we've glorified Robbing from the blind It's not easy you see Don't think I don't know sympathy My victims, in my shadow Staring back at me
