

# Give Me the Reason

Luther Vandross

What's there to say, there's not much to talk about  
And whatever happened to all of the love that we vowed  
Yes, it's true  
And there's nothing new you can say Give me the reason to want you back  
Why should I love you again?  
Do you know? Tell me how  
How to forgive and forget? Give me the reason to love you now  
It's been a mighty long time  
And the love that used to be  
Ended the day you walked out  
Never knew I'd ever be  
Standing a love and outside with no one to love I was secure and so glad there was you to love  
What in the world would I ever do without us?  
But it's getting clear  
That I have to get over you Give me the reason to want you back  
And why should I love you again?  
Do you know? Tell me how  
How to forgive and forget? Give me the reason to love you now  
It's been a mighty long time  
And the love that used to be  
Ended the day you walked out  
Never knew I'd ever be  
Standing a love and outside with no one to love No one, no one to love  
No one, no one to love  
No one, no one to love  
No one, no one to love Give me the reason to want you back  
Why should I love you again?  
Do you know? Tell me how  
How to forgive and forget? Give me the reason to love you now  
It's been a mighty long time  
And the love that used to be  
Ended the day you walked out Give me the reason  
To love you, girl, to love you, girl  
To love you, girl, to love you, girl  
To love you, girl, to love you, girl Give me the reason  
To love you, girl, to love you, girl  
To love you, girl, to love you, girl  
To love you, girl, to love you, girl To love you, girl  
To love you, girl

To love you, girl
